Dear Sir:

In the Office action mailed 03/30/2006 for the above-referenced U.S. patent application, the Examiner cited Japanese-language patent document JP 2003-086621, indicated on the Notice of References cited attached to the Office action. After receiving the Office action, the undersigned obtained an English-language machine translation of JP 2003-086621, which is attached. A PTO Form 1449A is not attached, as this reference was previously cited in the Examiner's Notice of References Cited mailed 03/30/2006.

Respectfully Submitted,
